Third-Party Staffing • Recruitment • Training & Development • Audit Services • Corporate Events

“The Right Talent, On Our Payroll, For Your Growth”

India

ABOUT US

Who We Are

One partner for the workforce and the workplace.

UNIVA HIRE TECH is a third-party staffing, recruitment and workforce management company delivering integrated manpower and business support solutions to organisations across industries.

We help clients find the right people, deploy and manage them where needed, and stay aligned with applicable Indian employment regulations, so leadership can focus on its core business.

Beyond staffing, we support clients with training, workplace safety, audits and corporate events: a single, dependable business support partner.

Staffing & Workforce
Contract and bulk manpower

Recruitment
Permanent, executive and RPO

Training & Audit
Skills, safety and compliance

Corporate Events
Engagement and conferences

"Right people. Right time. Right fit."

Philosophy, Mission & Vision

What guides every client engagement.

Business Philosophy

Workforce solutions work best when they are simple, transparent and compliant. We treat every requirement as a business priority and every candidate as a professional.

Our Mission

To deliver reliable, compliant and cost-effective manpower and business support solutions that help organisations operate with confidence.

Our Vision

To be the trusted strategic manpower partner that drives business growth and talent growth together, across India.

Our Core Values

Principles we apply to every client, candidate and deployment.

Integrity

Honest communication and ethical practice in every engagement.

Reliability

We commit to timelines and deliver on them.

Transparency

Clear commercial terms with no hidden charges.

Compliance

Operations built around applicable statutory requirements.

Client Focus

Your business priorities shape how we plan and deliver.

Respect for People

Fair, respectful treatment for every candidate and employee.

Objectives & Commitment

Where we are headed and what we promise along the way.

STRATEGIC OBJECTIVES

1. **Deliver quality manpower on time, every time**
2. **Build long-term corporate partnerships**
3. **Run compliance-oriented operations**
4. **Offer integrated workforce and business support under one roof**
5. **Strengthen sourcing networks across regions**

Our Commitment to Clients

- Timely, quality-screened manpower
- Transparent commercial terms
- A professional single point of coordination

Our Commitment to Employees

- Fair, respectful and timely onboarding
- Clear documentation and statutory support
- Responsive grievance handling

WHAT WE OFFER

Our Service Portfolio

Seven integrated services. Use one, or combine them for greater impact.

01

Contract Staffing

Manpower supply, deployment and administration

02

Recruitment Services

Permanent, executive search and RPO

03

Corporate Event Management

Conferences, engagement and celebrations

04

Audit Services

Safety, HR, ISO support and risk reviews

05

Training & Skill Development

Technical, soft-skill and professional programs

06

Workplace Safety Training & Support

Awareness, risk assessment and inspections

07

Onboarding & HR Support

Joining formalities, records and employee support

One Partner. Every Workforce Need.

SERVICE 01

Contract Staffing

Flexible manpower, managed end to end.

"We provide Executive-to-Senior-level contract staffing solutions, so you can focus on business performance while we take care of your workforce"

Scale your workforce up or down without adding permanent headcount.

Manpower Requirement & Talent Planning

Understanding client requirements and identifying the right talent for specific roles and business needs.

Talent Sourcing & Recruitment

Identifying, screening, and selecting qualified professionals from executive to senior-management levels.

Contractual Workforce Deployment

Deploying selected professionals on UNIVA's payroll for the agreed contract period and assignment.

Payroll & Employee Administration

Managing salary processing, attendance, employee documentation, and applicable statutory compliances.

Workforce Management & Client Support

Providing continuous employee support, performance coordination, replacement assistance, and smooth workforce operations.

SERVICE 02

Recruitment Services

Quality hiring, delivered on time.

Permanent Recruitment

End-to-end hiring for fresher, lateral and mid-level roles.

Executive Search

Confidential search for senior leadership and niche roles.

Requirement Fulfilment

Sourcing against defined role, budget and timeline.

Candidate Screening & Selection

Profile checks and interviews before any shortlist reaches you.

Recruitment Process Outsourcing

A managed recruitment process run on your behalf.

Shortlists that are screened, relevant and ready for interview.

SERVICE 03

Corporate Event Management

Events that engage teams and represent your brand.

Planning, coordination and on-ground execution for corporate occasions of every scale.

One accountable partner from concept to closing.

Corporate Event Planning
Concept, budgeting, vendor coordination and execution.

Conferences & Seminars
Venue, logistics, speakers and delegate management.

Employee Engagement Activities
Programs that build connection, morale and culture.

Annual Day Celebrations
Recognition-led celebrations with seamless production.

Team-Building Activities
Structured activities that strengthen collaboration.

SERVICE 04

Audit Services

Clear visibility into compliance, process and risk.

Workplace Safety Compliance Audits

Review of site practices against applicable safety requirements.

HR Process & Documentation Audits

Checks on HR records, files and process adherence.

ISO Audit Support

Documentation and readiness support for ISO audits.

Operational Risk Assessment

Identification and prioritisation of operational risks.

Compliance Gap Assessment

Gap analysis with practical, prioritised recommendations.

Know where you stand, and what to fix first.

SERVICE 05

Training & Skill Development

Building capability that lasts beyond the session.

Practical programs that prepare people for the role and grow them within it.

Better-prepared teams and stronger on-the-job performance.

Technical Skills Development

Role-specific training for operational and technical teams.

Communication & Soft Skills

Workplace communication, teamwork and professionalism.

Employee Development Programs

Structured learning journeys for growth and retention.

Professional Training

Customised programs for corporate learning needs.

Workplace Safety Awareness

Foundational safety awareness for every employee.

SERVICE 06

Workplace Safety Training & Support

Safer workplaces through awareness and practice.

Safety Awareness Programs

Campaigns and sessions that keep safety front of mind.

Hazard Identification & Risk Assessment

Systematic review of hazards and risk controls.

Workplace Safety Training

Instructor-led training for workers and supervisors.

Safety Compliance Support

Guidance on documentation and applicable safety norms.

Site Safety Inspections

Periodic inspections with clear observations and actions.

Reduce workplace risk and build a stronger safety culture.

SERVICE 07

Onboarding & HR Support

From the first day to the last, handled with care.

Administrative and people-support services that keep HR operations smooth and organised.

Less HR paperwork. More time for people and performance.

Employee Joining Formalities
Offer-to-joining coordination and induction support.

Documentation Management
Collection, verification and filing of employee documents.

HR Records Management
Organised, accurate and confidential employee records.

Attendance & Leave Administration
Attendance, leave and shift records maintained reliably.

Employee Engagement & Grievance Support
A responsive channel for employee concerns and engagement.

INDUSTRIES

Sectors We Serve

Our workforce solutions are designed to support a wide range of industries.

IT & Software

Technical, support and IT operations

Manufacturing

Plant, production, quality and maintenance

Construction & Infrastructure

Site, project and skilled trades

Banking & Financial Services (BFSI)

Sales, operations and back office

Healthcare

Clinical support, admin and facilities

Retail & E-commerce

Store, fulfilment and customer service

Logistics & Supply Chain

Warehouse, transport and distribution

Corporate & Professional Services

Corporate, admin and support teams

Indicative service coverage. Scope is tailored to each client's requirement.

HOW WE WORK

Our Business Approach

A ten-step delivery process, from first conversation to continuous support.

01 — Understand Requirements
Role, volume, budget and timeline clarity

02 — Requirement Planning
Sourcing plan, timelines and ownership

03 — Candidate Sourcing
Databases, job portals, referrals and networks

04 — Screening & Shortlisting
Profile checks and relevance assessment

05 — Client Interview & Selection
Interviews coordinated with your team

06 — Documentation & Verification
Document collection and background checks

07 — Employee Onboarding
Offer, joining formalities and induction

08 — Workforce Deployment
Placement at site with clear reporting lines

09 — Performance Monitoring
Regular reviews and feedback loops

10 — Continuous Client Support
A dedicated coordinator, always reachable

WHY CHOOSE US

Why Choose UNIVA HIRE TECH?

Eight reasons to make us your manpower partner.

1 Dedicated Recruitment Support
A focused team that understands your requirement.

2 Quality Candidate Screening
Every profile checked before it reaches you.

3 Faster Requirement Fulfilment
Structured sourcing so roles do not stay open.

4 Flexible Workforce Solutions
Permanent, contract or bulk: scale as you need.

5 Transparent Commercial Terms
Clear terms with no hidden charges.

6 Professional Client Coordination
One point of contact and timely updates.

7 Compliance-Oriented Operations
Processes aligned to applicable regulations.

8 Long-Term Business Partnership
We grow alongside your hiring needs.

Compliance Built Into Delivery

Our commitment to applicable Indian employment and statutory requirements.

EPF Compliance

Enrolment, contributions and filings as applicable.

ESIC Compliance

Registration and contributions as applicable.

Applicable Minimum Wages

Wages aligned to the minimum wage norms that apply.

Contract Labour Regulations

Operations aligned to contract labour requirements.

Professional Tax

Deduction and remittance wherever applicable.

TDS & Applicable Taxes

Deduction and related requirements as applicable.

Employee Documentation

Verified, organised, confidential records.

Workplace Health & Safety

Awareness and practices for a safe workplace.

Compliance support is delivered as applicable to the scope, location and nature of each engagement.

CLIENT VALUE

Our Client Value Proposition

How UNIVA HIRE TECH helps your business.

Reduce Recruitment Turnaround

Structured sourcing and ready talent pipelines shorten time to hire.

Improve Workforce Availability

Flexible deployment keeps your teams staffed when it matters.

Optimise Costs

Lower recruitment and administration effort and overhead.

Access Qualified Manpower

Screened candidates matched to your role requirements.

Improve Operational Efficiency

Fewer vacancies and delays mean smoother operations.

Strengthen Workforce Management

Organised records, attendance and compliance support.

Focus on Core Business

We manage the workforce so you can run the business.

One partner for hiring, deployment, compliance and support.
